Counter Brackets

AB5201.01
AB5201.11

Raw - Unfinished
Polished Chrome

The Counter Brackets are stocked in Polished Chrome and Unfinished only. Other finishes are available on a custom basis.

NOTES: The Counter Bracket system has a steel bracket with solid steel rods attached that bolts to the wall. A plated Brass bracket cover and "U" shaped tube fits over the rods to create the combination counter bracket and towel rack. The plated "U" shape is held in place by 4 rubber bumpers that thread through the tube into the steel rods. They also adjust to level the countertop that will be supported by the counter brackets. Shown above with 26" x 18" countertop. For more information see "Counter Bracket Installation Instructions."
