Lava Cienega
Cienega Ether

NOTES: MacMurphy Lamps are made from welded tubular and plate steel. The metal fixture is finished with a dark bronze patina and then sealed with a clear lacquer. The Table Lamp has a Hi-Lo thumbswitch on the power cord while the Reading Lamp comes with a floor dimmer switch. Both lamps take 2 standard or smaller light bulbs up to 60W each. The shade is a 1/2" thick fused glass cone shape. NOTE: Glass shades are individually hand-made and feature slightly wavy surfaces and edges. Lamps are ETL Listed.
